

The **Parents of Accelerated Learners, NYC** (PALNYC) in partnership with the **Center for Mathematical Talent** at NYU's Courant Institute, invites you to the **NYC GIFTED & TALENTED SYMPOSIUM**, a one-day symposium on October 26th, 2013 at NYU's Kimmel Center. Parents will have the rare opportunity to interact with heads of schools, teachers, parents and experts and learn how to best support the academic, social and emotional needs of their children.

Get ready for a day long event with NYC's best in this unprecedented Symposium for parents to connect with innovative professionals in the field of gifted and talented education, that offers:

- **Four tracks of seminars** including panel discussions with experts, educators and parents on **Talent Development, Social & Emotional Support, Negotiating the Practical- the NYC G&T process and admissions; Supporting Twice Exceptional and Culturally Diverse Learners** and more.
- a **Thought leaders roundtable** with NYC's most knowledgeable and influential leaders in the field
- a **Keynote address** by a leader in the field of gifted and talented education.
- an education technology (**ED Tech**) **Discovery Platform** for parents and teachers to explore web and app-based learning tools to support their children at school and at home.
- a vetted, **Curated Exhibit Hall** of the best programs, services and resources NYC has to offer
- Winners of the \$15,000 in scholarship monies to the top 5 K-8th graders as part of our **'Discover Your Passion' competition** to be announced at the event. Deadline is Sept 20!

Don't miss expert advice on topics including the panel discussion **Finding The Right Fit for Your Child Among Citywide, District G&T, Self-Contained G&T, Single Sex, Co-Ed, Gen Ed, & Homeschool Options; The Roles of Families in Nurturing & Advocating for Culturally Diverse Learners** by Joy Lawson Davis; **STEM: How Can We Support Our Child's Mathematical Development?** by Sian Zelbo and Mark Saul, Center for Mathematical Talent at NYU's Courant Institute; **Is My Child Twice Exceptional (2E) & What Does That Mean?** by Dr. Julia Osborn; **Intro to Social & Emotional Needs**, by Carolyn Kottmeyer with HOAGIES Gifted and SENG, Social & Emotional Needs of the Gifted; **30 Apps in 30 Minutes** presented during the Ed Tech Discovery Platform and many more.
